

League General Information

Due to the size of Muchenberger Center, we are only able to offer two levels of leagues; intermediate and power. Hopefully in the future we will have the space to accommodate more leagues.

Monday nights: **Women's Intermediate**

Tuesday nights: **Co-ed Power**

Wednesday nights: **Women's Power**

Friday nights: **Co-ed Intermediate/Power**

The first eleven (11) teams are taken for each league night. Depending on the size of the leagues, the games will start no earlier than 5:30 pm and the last game will be not be scheduled for any later than 9:30pm. Each team is given one (1) hour for play. Each team will play three (3) games to twenty (25) with rally scoring. A session will run ten (10) weeks. Your team's score will be calculated and added together throughout the session. The team with the highest total points at the end of the session will be deemed the champions of the league and receive t-shirts for their team.

Description of each level of league play:

Recreational Leagues: This league is for beginners and teams that have been playing for very long. You know the basic rules of volleyball. This league is more to learn the game and for fun.

Intermediate Leagues: This league is for teams who have been playing volleyball for awhile and feel they are above the recreational level. Everyone has knowledge of the rules. Each team's level of play can vary. This league can be more on the competitive side.

Power Leagues: This league is for teams with a lot experience. Everyone has good knowledge of all the rules. You should expect fast play, hard hits and serves. This league is for the very competitive teams.
