

# PLUMBERS EXAMINING AND APPEALS BOARD MEETING AGENDA

**Date:** April 8, 2021  
**Time:** 4:00 p.m.  
**Location:** 1<sup>st</sup> Floor Conference Room, City Hall

## **Call to Order**

## **Unfinished Business**

## **New Business**

1. Water Protection's approval process for grease interceptors (discuss the literature/lists we use, the factors and criteria we look at to determine what the best options are for a Food Service Establishment, and what needs to be done prior to the purchase & installation of any grease interceptor.)
2. What makes a Grease Interceptor deficient & how deficient interceptors negatively impact a facility, the Plumbing board, Water Protection, and the city as a whole (discuss the biggest issues Dan & I have collectively seen with grease traps in St. Joseph, and what we believe are the most effective steps to remedy some of these issues moving forward.)

## **Adjournment**

## **Board Members:**

Jim Hoover  
Josh L. Hayes  
Ronnie Swope  
Michael S. Veale  
Brian S. Weets

CITY CLERK
